EVENTS AT THE FARM

FAITH FORUMS

This round-table event will include discussions on topics such as inter-faith dialogues and fellowship, how theocratic systems of government affect cultural identity, denominational differences within faith groups, religion versus religiosity, and religious melancholy and the experience of the dark night of the soul. Managing Artistic Director Kim Blackwell will host and moderate the forums on **Tuesday, August 4th, 11th and 18th.**

MIDSUMMER NIGHT'S MUSIC

Join us in the village of Millbrook for two summer concerts after our **Saturday, July 18th and Saturday, August 15th** shows featuring local musicians and showcasing the musical talents of summer season cast members. Watch for more details on our website!

WAILIN' WEDNESDAYS

Back by popular demand! *Wailin' Wednesdays at the Winslow Farm* featuring local musicians performing under the tent in the picnic area on six Wednesday evenings before the show (4:00pm - 4:30pm). Come out and enjoy the summer scenery with music in our picturesque farm setting.

GUIDED WALKS

Explore the Winslow farm property on walks guided by Managing Artistic Director Kim Blackwell. Visit the various sites where 4th Line productions have been staged over the company's 28-year history and learn more about the behind-the-scenes process of bringing history to life at 4th Line. The walk will begin at 4:15pm. Only the first 15 people who arrive can attend. **Wednesday, July 15th and August 19th** 4th Line Theatre claims no responsibility for incidental injuries on the guided walk.
